Sara F. Hawkins I loved your talk, Katie. You're an excellent speaker and very passionate about your work.

"I've been to many conferences but I've been impressed with the quality of information Katie gives. She knows her stuff. Since joining, I turn to her books and wisdom first"

This has been one of the best workshops I've ever attended. I've been to conferences where it's all about the creator of the content or service provider. But, you have come out of the gate swinging. No fluff! Meat and potatoes. Thank you!
